

BREAKFAST AT THE CONE

THE ART OF BUSINESS

SPONSORSHIP INFORMATION

JUNE 14, 2024 | 7:30-9:00AM | MUSEUM OF GLASS

Museum of Glass, along with honorary co-chairs, William "Bill" Robertson (President and CEO, MultiCare) and Altaf Merchant, Ph.D. (Gary E. and James A. Milgard Endowed Dean; Professor of Marketing Milgard School of Business), invites you to become a sponsor of the 8th annual **Breakfast at the Cone: The Art of Business** on June 14, 2024. This annual fundraising event promotes civic engagement among cultural organizations and business leaders who support the future of Tacoma.

Previous Breakfast keynote speakers have shared insights on approaches to leadership, employee engagement, and how to promote innovation and creativity while building stronger businesses and communities. We are happy to announce that this year's speaker will be Clint Stein, President and CEO of Columbia Banking System and CEO of Umpqua Bank.

Sponsoring **Breakfast at the Cone** is about more than just visibility with a wide cross-section of the business community. Your support demonstrates your commitment to the South Sound region and to the important work that Museum of Glass does in our community. You will receive recognition in the Museum, on our multifaceted online presence, and during the Breakfast itself, where hundreds of community leaders and business professionals will be in attendance.

We hope you will join us as a sponsor!
